

WHAT WE DO

Naft Logistics, Inc. specializes in providing fully-integrated transportation service plans for businesses of every size. From a single unit to an entire fleet, across the country or across town, Naft Logistics provides businesses with cost-effective, offsite transportation services complete with knowledgeable staff, reliable support and cutting-edge technology.

SEAMLESS SERVICE

In today's diverse world of business, a "cookie-cutter" approach to transportation services simply doesn't work. That's why we specialize in individualized plans tailored to meet your precise requirements. Regardless of your needs, we offer a solution that will function as a seamless extension of your business.

RELIABLE, FLEXIBLE CARRIERS

Although we have the ability to work with thousands of carriers across the country when necessary, we have developed working relationships with a select group of preferred carriers that share our rigid standards of quality and service.

Our dependable carriers are flexible and able to respond to diverse service needs such as expedited shipping, multiple pick-ups and drops, full truckload, less than truckload (LTL), refrigerated, dimensional, and flatbed. Shipments are tracked via satellite and phone, providing 24 hour updates.

AVAILABLE EQUIPMENT:

- Dry Van
- Temperature controlled
- Flatbed
- Step deck (single & double drop)
- Specialized Equipment (including RGN's)
